### Form of attestation of higher education applicants

Certification of graduates of the educational program of the specialty D3 "Management" of the first (bachelor's) level of higher education is carried out in the form of performance and public defense of the qualification work.

The graduation qualification work must not contain academic plagiarism, be original and authentic. It is published on the official website of the university, transferred to the repository of Sumy NAU.

Successful certification of graduates is completed by issuing a document of the established sample on awarding them a bachelor's degree with the qualification "Bachelor of Management".

The defense of the qualification work is carried out openly and publicly.
